Dear Sushrut Ghosal,

I am pleased to recognize your successful completion of the Grand Challenges Scholars Program at Arizona State University, which is endorsed by the US National Academy of Engineering. This combined curricular and extracurricular program encompassing forward-looking research, cross-disciplinary breadth, entrepreneurship, multicultural perspective, and social consciousness has prepared you with a combination of skills, motivation, and leadership to address the Grand Challenges facing society in this century. You have excelled in demonstrating the technical depth required to be a successful engineer, and you have immersed yourself in work that motivates and prepares you to be a successful, 21st century global engineering leader.

Please accept the gratitude and sincere congratulations that I offer to you on behalf of the US National Academy of Engineering. I wish you the very best in all your future endeavors and look forward to your achievements.

Sincerely,

John L. Anderson
